\$2,700

### PROPOSAL 3

A contemporary American sculpture with plaque inscription as in Proposal 2. Wood (or bronze) considered preferable because of warm qualities it provides to an area of masonry. Solution limited by high costs of sculpture.

Costs: Possibility - American sculpture in wood [redacted] \$4,000. to \$6,000.

25X1A5A1

Inscription to read:

"Allen Welsh Dulles  
Director of Central Intelligence, 1953-1961"

plus some further phrase associating him with the building, such as:

- "A great builder: of the invisible in his work; of the visible in this Headquarters Building."
- "In his day he wrought not only this building."
